

Resident Announcement:

The Wappingers Falls Police Department has begun to prepare for the eventual arrival of Hurricane Irene which is currently projected to hit the NYS area on Sunday August 28, 2011. This Hurricane will have significant weather events associated with it for our area.

Residents should prepare for high winds, flooding, rain and power outages. The Wappingers Falls Police Department urges all residents to prepare for the storm.

Residents should have the following items at a minimum:

Batteries, flashlight, fresh drinking water (Bottles), charged cell phones, a "Go Bag" containing clean clothes, medicine, water, extra cash, non-perishable foods. The "Go Bag" should be prepared in the in the event you need to quickly leave your home. To be safe, please plan for 7 days of interrupted service. Have your vehicle filled with gas and stay away from your windows during high windows. Updates will be made by wesite as necessary-Police Commissioner Carl Calabrese
