

TEMPORARY WATER SHUTOFF NOTICE

April 23, 2019

VIA HAND DELIVERY

Subject: **Temporary Water Shutoff
Mill St from E Main St to Brick Row
and High St West of Mill St Intersection
Utility Improvements Contract 4, Village of Wappingers Falls**

Dear Resident:

Construction work for Village of Wappingers Falls Utility Improvements Contract 4 continues. The Contractor (Argenio Bros. Inc.) has constructed new water main on Mill St north of High St and is preparing to take the old water main out of service. For this, the old water main is to be plugged. This work will require temporary water shutoff on Mill St from E Main St to Brick Row and on High St west of the Mill St intersection.

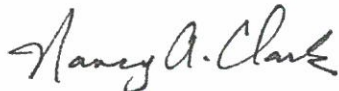

The water shutoff is projected for half of one construction day in the afternoon. It is targeted for Fri April 26, 2019 dependent on weather impacts to the sequence of work from now to then. **The earliest time you may be out of service is Noon 12pm and your water will be restored as soon as possible, but no later than 4pm.** We thank you for your cooperation.

If you have questions or concerns about this work, we recommend that you please speak with the Argenio Bros Inc. construction foreman or the KC Engineering on-site engineer / inspector at the site. Alternatively, you may contact the KC Engineering office at 845-471-7898.

Thank you for your patience as the Village advances construction of these improvements.

Sincerely,

KC Engineering and Land Surveying, P.C.

Nancy A. Clark, P.E.
Vice President
