VILLAGE OF WAPPINGERS FALLS

APPLICATION FOR A BUILDING PERMIT

IMPORTANT NOTICES: READ & SIGN

1. Work conducted pursuant to a building permit must be visual inspected by the Code Enforcement Office and must conform to the New York State Uniform Fire Prevention and Building Code, the Code of Ordinances of the Village of Wappingers Falls and all other applicable codes, rules or regulations.
2. It is the owner's responsibility to contact the Code Enforcement Office at 845-297-5277 Monday through Friday from 9:00 a.m. to 3:30 p.m. at least 48 hours before the owners wishes to have an inspection conducted . More than one inspection may be necessary. This is especially true for "internal work" which will eventually be covered from visual inspection by additional work (i.e., electrical work later to be covered by a wall)

DO NOT PROCEED TO THE NEXT STEP OF CONSTRUCTION IF SUCH "INTERNAL WORK" HAS NOT BEEN INSPECTED. Otherwise, work may need to be removed at the owner's or contractor's expense to conduct the interior inspection. Close coordination with the Code Enforcement Office will greatly reduce this possibility.

3. OWNER HEREBY AGREES TO ALLOW THE CODE ENFORCEMENT OFFICE TO INSPECT THE SUFFICIENCY OF THE WORK BEING DONE PURSUANT TO THIS PERMIT, PROVIDE, HOWEVER, THAT SUCH INSPECTION(S) IS(ARE) LIMITED TO THE WORK BEING CONDUCTED PURSUANT TO THIS PERMIT AND ANY OTHER NON WORK-RELATED VIOLATIONS WHICH ARE READILY DISCERNIBLE FROM SUCH INSPECTION(S).
4. New York State law requires contractors to maintain Worker's Compensation and Disability Insurance for their employees. No permit will be issue unless currently valid Worker's Compensation and Disability Insurance certificates are attached to this application or are on file with the Bureau of Fire Prevention and Inspection Services. If the contractor believes he/she is exempt from the requirements to provide Worker's Compensation and/or Disability Benefits, the contractor must complete form BP-1 attached hereto.
5. If a Certificate of Occupancy is required, the structure shall not be occupied until said certificate has been Issued. Section 64-9 (a) Village Code
6. Work undertaken pursuant to this permit is conditioned upon and subject to any state and federal regulations relating to asbestos material.
7. The permit does not include any privilege of encroachment in, over, under, or upon any city street or right-of-way.
8. The building permit card must be displayed so as to be visible from the street nearest to the site of the work being conducted.

I, _____, the above-named applicant, hereby attest that I am the lawful owner of the property described within or am the lawful Contractor /Agent of said owner and affirm under the penalty of perjury that all statements made by me on this applications are true.

VILLAGE OF WAPPINGERS FALLS
POLICY ON CONSTRUCTION INSPECTIONS

Inspections are required under NYS and Village Law. The following inspections are required to be schedule by the contractor and/or property owner at a minimum 24 hours BEFORE the inspection is needed. In some cases more time is require before an inspection takes place. (see below) Failing to schedule required inspections is a violation of the Village Law and legal action may be taken against you and/or a STOP WORK ORDER issued if you fail to schedule the required inspections.

FOOTINGS - When the excavation for footings is completed and before footings are poured. Soil bearing test are the responsibility of the homeowner/contractor. Must call to schedule **48 hours BEFORE pouring concrete** in order to allow for corrections.

FOOTING DRAINS - Before backfilling foundation.

FOUNDATION WALLS - When the foundation forms (for poured walls) have been erected, and before any backfilling has taken place, **48 hours BEFORE pouring**. Block walls may require intermittent inspections for reinforcing rods or other details that may be included on designed plan. Also for block walls schedule an inspection before back-filling.

CONCRETE FLOORS & SLABS - **48 hours BEFORE pouring**.

UNDERGROUND AND ROUGH PLUMBING - DWV requires an air test of 5 psi or a water test (system being tested filled to at least 10 feet above that system with water), either test holding for at least 15 minutes. **Water- supply** required to be proved water tight under a water pressure not less than the working pressure of the system or by an air test of not less than 50 psi. Water used for testing must be from a potable source. **Back-flow devices** require an initial inspection and test and must be inspected and tested at least annually. These devices are inspected by Third-party inspectors (contact the office for a courtesy list of inspectors or visit the NYSDOH web-site.)

FINAL PLUMBING - DWV fixtures must be filled and prove water tight. Water-supply and Back-flow devices(see above)

FRAMING - When all framing has been completed and prior to the installation of any wall finishes. Inspector will check for fire caulking and/or Fire-rated assemblies.

INSULATION - When insulation and vapor barrier is installed and before wall finishes.

MECHANICAL - Solid fuel burning heating appliances, chimneys, flues or gas vents. ANY of the previous that will be concealed in walls or by finishes must be inspected prior to those walls or finishes being applied or installed. This includes clothing dryer vents.

FINAL - When all work is completed and before any occupancy of building or structure. Electrical, plumbing and fire inspections must also be completed.

NO CERTIFICATE OF OCCUPANCY - Will be issued for any building permit until all required inspections have been completed and work accepted.

TIME LIMITS - Work must begin within 6 (six) months from date of permit issue. Permit expires 1(one) year from date of issue. Failure to schedule any inspections before the expiration date of the permit is a violation of the Village Law. Any violation is subject to the applicable fee.

Fire Inspector, Building Inspector, Code Enforcement Officer, Zoning Administrator and Plumbing Inspector can be reached at 297-5277. Electrical Inspectors are third-party inspectors and are listed on the electrical permit package.

I, _____, the above-named applicant, hereby attest that I am the lawful owner of the property described within or am the lawful Contractor /Agent of said owner and I understand that is my responsibility to call and schedule the inspections required under NYS and Village Laws.
