Part 2 - Impact Assessment. The Lead Agency is responsible for the completion of Part 2. Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

	No, or small impact may occur	Moderate to large impact may occur
1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?		
2. Will the proposed action result in a change in the use or intensity of use of land?		
3. Will the proposed action impair the character or quality of the existing community?		
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?		
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?		
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?		
7. Will the proposed action impact existing: a. public / private water supplies? b. public / private wastewater treatment utilities?		
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?		
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?		

	No, or small impact may occur	Moderate to large impact may occur
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?		
11. Will the proposed action create a hazard to environmental resources or human health?		

Part 3 - Determination of significance. The Lead Agency is responsible for the completion of Part 3. For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. **Part 3** should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

<input type="checkbox"/> Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.	
<input type="checkbox"/> Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

2. That I/we hereby authorize Michael R. Berta, AIA to act as my/our representative in all matters regarding said application(s), and that I/we have the legal right to make or authorize the making of said application.
3. That I/we understand that by submitting this application for Planning Board approval that I/we expressly grant permission to the Planning Board and its authorized representatives to enter upon the property, at all reasonable times, for the purpose of conducting inspections and becoming familiar with site conditions. I/we acknowledge that this grant of permission may only be revoked by the full withdrawal of said application from further Planning Board action.
4. That I/we understand that by submitting this application that I/we shall be responsible for the payment of all application fees, review fees, and inspection fees incurred by the Village related to this application.
5. That I/we understand that I/we, and any of our contractors and representatives shall be jointly and severally liable for all costs incurred, including environmental restoration costs, resulting from non-compliance with the approved application, and with non-compliance with any provision of the Village Code. I/we acknowledge that approval of the plan and commencement of any work related to the approved application shall constitute express permission to the Planning Board, the Building Inspector, the Planning Department, the Zoning Administrator, and any duly authorized representative of the Village of Wappingers Falls, to enter the property for the purposes of inspection for compliance with the approved application and any provision of the Town Code, whether or not any other permits have been applied for or issued for the project. I/we acknowledge that by submitting this application, and by approval of said application, including the commencement of any work related to the approved plan is an express waiver of any objection to authorized Village official(s) entering the property for the purpose of conducting inspections.
6. That I/we understand that the Village of Wappingers Falls Planning Board intends to rely on the foregoing representations in making a determination to issue the requested applications and approvals and that under penalty of perjury I/we declare that I/we have examined this affidavit and that it is true and correct.
